

# Total CNC Products

## SINO

CNC MACHINERY

**High-Performance Precision with the Sino VMC SVD 1270**

Unlock next-level machining with advanced technology and superior rigidity.

### Key Features:

- ✓ Siemens 828D – Shop Mill Conversation (2-year warranty)
- ✓ 3D Graphics Simulation & DXF Reader for seamless programming
- ✓ CTS – 20 Bar for superior coolant-through-spindle performance
- ✓ XYZ Axis Cross Roller Linear Guide Ways (X 45mm / Y 45mm / Z 55mm) for unparalleled rigidity
- ✓ Rapid Traverse Rates: 24 / 24 / 20 m/min
- ✓ Generous Travel Range: X 1200 mm | Y 700 mm | Z 700 mm
- ✓ Spacious Worktable: 1400 mm x 700 mm
- ✓ High-Speed Spindle: 12,000 RPM Direct Drive, BT40 Taper
- ✓ 32-Tool ATC for enhanced efficiency
- ✓ Spindle Oil Cooler & Electrical Cabinet Air Conditioner for consistent performance
- ✓ Chip Auger & Base Washdown to maintain a clean work environment
- ✓ Safety Door Interlocks for operator protection
- ✓ Machine Weight: 9,700 kg

Available with a 4th Axis Rotary Table CNC 320R 12" 3-Jaw Chuck, Adaptor Plate, and Manual Tailstock
